How Can I Read Edulink One in another Language?

Edulink One does not possess an internal translator; however, you can easily translate your Edulink One website using <u>Google Translate</u>.

Go to the Translator, switch from Text translation to 'Websites' translation, and input the Edulink One URL at <u>www.edulinkone.com</u>.

TECT LANGUAGE	ENGLISH	SPANISH	FRENCH	~	$\stackrel{\rightarrow}{\leftarrow}$	ENGLISH	ARABIC	SPANISH	~
			website www.edulinko	ne.com				⊗ →	
		_							

Next, click the **Translate** button.

You will be redirected to Edulink One's login screen where you will need to input your school's ID or postcode. Click the current language at the top to change to a new language.

Select the language you need from the list of languages provided.
